Dear Mr Shephard

RE: Island Farm Indoor Tennis Facility Bridgend

The LTA have been working with Nick Hegarty and his wider team over the last 12 months on the design and underlying operation of the proposed indoor tennis facility at Island Farm.

The provision of new indoor facilities is core to the LTA's vision of "Tennis Opened Up" and the new Community Indoor Tennis Centre (CITC) at Bridgend will help to provide facilities that are accessible to the whole Bridgend community, encouraging participants from of all ages and backgrounds to enjoy playing tennis all year round. This facility will also help promote the game of tennis more broadly, driving greater participation at other clubs and park venues around Bridgend.

In addition, this proposed facility will also be capable of hosting Welsh national tennis tournaments and to become a regional coach and player development centre.

This letter is confirmation of support from the LTA for the proposed CITC and we look forward to hearing that the planning application has been approved.

Yours sincerely
